**D**iamante atelier hosted a Dinner & Diamonds event at Café Polo in Wellington on Feb. 11. More than 60 people attended the invitation-only event, which featured hors d'oeuvres, cocktails, live entertainment, dinner, raffles and diamond giveaways.

"Our brand is well established on the island in Palm Beach, but this allowed us to familiarize the equestrian community with what we do as well," said Jose Aman, owner of Diamante atelier.

Models adorned in equestrian attire were also on hand to showcase more than \$40-million-worth of custom jewelry.

"These events are always a lot of fun because you meet some wonderful people and see many beautiful items, but in a no-pressure setting," said Aman. "It's where formal meets casual."

Four lucky attendees received diamond earrings from Diamante atelier, and another purchased a yellow-green and pink diamond ring.

"This was one of our most successful events to date, and everybody had a great time," said Aman.

### GIVING BACK

Diamante atelier is heavily involved with many local and national charitable organizations, and they have donated a diamond ring and earrings for the Boca Heart Ball on Feb. 21, as well as a diamond for the "champagne drop" at the Equestrian Aid Foundation's One Stage, Three Legends event on Feb. 22.

They are also holding a live auction on March 19, with all proceeds benefitting the Girl Scouts.
