Nearly 50 people enjoyed a preview of sparkling gems last month at the Diamante Atelier showroom and gallery on Worth Avenue.

The Bling Baubles and Bites sneak peek served as a pre-event for the Girl Scouts of Southeast Florida's Emerald Awards celebration, which will be held Saturday at the Beach Club.

Besides viewing the gems and museum-quality diamonds, guests got an up-close view of the emerald and diamond ring being offered in a drawing at the event.

Girl Scouts of Southeast Florida will honor six women at the annual Emerald Awards. These women "exemplify the national initiatives of Girls Scouts and serve as role models for today's girls," officials said.

This year's honorees include **Kathryn Vecellio**, Lifetime Achievement Award for Philanthropy; Dr. **Rebekah Corlew**, STEM (leadership in science, technology, engineering and math); **Claudia Kirk Barto**, financial literacy; **Roxanne Stein**, healthy living; **Michelle Diffenderfer**, environmental leadership; and **Rebecca Doane**, global citizenship.
